Upon a claim under Railway Vehicles Insurance

Needed Documents

1. Insured event notification as per Insurer’s template
2. Internal Statement of Findings about the event occurred
3. Damage recovery invoice or another expenditure document
4. A document of ownership of the damaged railway vehicle
5. A written explanation by the railway vehicle driver
6. Detailed photographic material of the damage sustained
7. Bank Account Certificate

As per the specifics of each particular case DZI may also require other documents, apart from the above stated, by providing the respective arguments in writing.
