

ONLINE CONSULTATIONS THROUGH THE HEALEE APP

DZI presents yet another of its health services, thus making the care for your health fast and easy. Now you have the option to reach out to a doctor without leaving your home or office, by using the Healee platform to make an **online consultation** or seek a **second medical opinion**, based on results from examinations and lab tests.

STEPS TO CONSULT A DOCTOR IN HEALEE

Download the Healee app from here

* You can also search for it on the Internet at the following address: <https://app.healee.com>

Login in your profile settings and select **the voucher section**

Vouchers and Insurance policies

Done!

You have now pre-loaded vouchers for free online consultations

Having found a suitable doctor, you can then ask your question. Within the consultation time slot **you can share symptoms and concerns, lab test results, images and videos.** Should the doctor deem it necessary he/she may refer you to record a short video or have a live video conversation with you

You can use the remaining vouchers for **subsequent consultations** in the platform

01

02 Register yourself in Healee

03

04

For voucher number, please enter the number of your health card with DZI

Thus you will make use of the vouchers for free online consultations, which are included in your insurance package

05

06

You can seek a doctor according to your needs, by adjusting the search priorities to doctors, offering consultation against vouchers
